

Links to iCONN Databases for High School Libraries

**Important Note: Copy and paste the URLs EXACTLY as provided - do NOT copy from your browser once the resource has opened!
The URLs change and won't work properly in the future.**

Libraries have three options: (1) linking to the iCONN federated search portal (2) linking to iCONN Classic (Resources for Schools), an annotated list of all resources, and (3) linking to individual databases. **Note:** these are not either/or options. Use as many of these options as you like on your webpages.

1. Link to iCONN	http://www.iconn.org opens the federated search portal. The patron is IP authenticated (in library) or barcode authenticated (out of library). Once authenticated, a patron may search many databases at once or any resource individually. New resources can be selected without re-authentication.
2. Link to iCONN Classic	http://rqst-agent.auto-graphics.com/homepages/customerwide/classicschool.asp? opens the Resources for High Schools page. The patron is IP authenticated (in library) or barcode authenticated (out of library). Once authenticated, a patron can select any resource from the menu. New resources can be selected without re-authentication. reQuest is not on this list, but you can maintain a separate link to reQuest only*.

* Link to reQuest Only

You may also create a direct link to only reQuest – the Statewide Library Catalog; no authentication is required:

Libraries participating in reQuest – use <http://www.iconn.org/default.asp?lid=xxxx&mode=g> (xxxx is your library's reQuest code)

Libraries not participating in reQuest – use <http://www.iconn.org/default.asp?lid=rqst&mode=g>

Links to iCONN Databases for High School Libraries

**Important Note: Copy and paste the URLs EXACTLY as provided - do NOT copy from your browser once the resource has opened!
The URLs change and won't work properly in the future.**

3. Link to Individual Databases	Using these links, the patron is IP authenticated (in library) or barcode authenticated (out of library). Patrons must be re-authenticated each time a new resource is selected. reQuest, the Statewide Catalog, is not on this list but you can maintain a separate link to reQuest only*. Downloadable Audio Books requires a valid Connecticut public library card number to place holds and check out books for download.
